Contents of Volume 9 January–December 1994

NO 1 JANUARY–FEBRUARY 1994

Editorials

1 The Promises of Excisional Therapy of Burn Wounds: Have They Been Achieved?
John F. Hansbrough, MD

4 Neonatal Severity of Illness: Catch-up Growth
Murray M. Pollack, MD

Analytic Reviews

6 Management of Burn Wound with Prompt Excision and Immediate Closure
Robert L. Sheridan, MD, Ronald G. Tompkins, MD, ScD, and John F. Burke, MD

20 Measuring Illness Severity in Newborn Intensive Care
Douglas K. Richardson, MD, MBA, and William O. Tarnow-Mordi, MB, ChB

34 Serious Infections Caused by *Pseudomonas aeruginosa*
Andrew W. Artenstein, MD, and Alan S. Cross, MD

Book Review

52 Critical Care Nursing: Body-Mind-Spirit, by Barbara Montgomery Dossey, Cathie E. Guzzetta, and Cornelia Vanderstaay Kenner
Julia O'Connor, RN, MS, CCRN

NO 2 MARCH–APRIL 1994

Editorial

55 Creating a Rational System for Reviewing Clinical Decision-making: The Time-critical Review
Edward P. Richards, JD, MPH, and Marc K. Hutchison, MD

Analytic Reviews

58 The Contextual Nature of Critical Care Judgment
Gilbert M. Goldman, MD, and Thyyar M. Ravindranath, MD

64 Occult Tuberculosis in the Intensive Care Unit
Scott E. Eveloff, MD, Walter E. Donat, MD, and Sidney S. Braman, MD

71 High Frequency Ventilator Therapy for Newborns
Jonathan H. Cronin, MD

86 Blood Conservation and Blood Salvage
Lawrence T. Goodnough, MD, Mathew S. Bodner, MD, and Jeffrey W. Martin, MD

98 Critical Care of Intrathoracic Complications of Lung Cancer
Michelle Z. Schultz, MD, and John R. Murren, MD

Book Review

114 Principles of Critical Care, Hall, Schmidt, Wood, eds.
Robert D. Brandstetter, MD

Announcement

NO 3 MAY–JUNE 1994

Editorial

117 Neuromuscular Diseases in the Intensive Care Unit
Lawrence H. Phillips, II, MD

Analytic Reviews

119 Pulmonary Embolism in the Intensive Care Unit
Victor F. Tapson, MD, and William J. Fulkerson, MD

Analytic Reviews

119 Pulmonary Embolism in the Intensive Care Unit
Victor F. Tapson, MD, and William J. Fulkerson, MD

132 The Polyneuropathy of Critical Illness
Charles F. Bolton, MD, FRCPC

139 Tension Pneumothorax: Etiology, Diagnosis, Pathophysiology, and Management
Timothy B. Gilbert, MD, and Brian J. McGrath, MD

151 Trauma Radiology: Part I. Computerized Tomographic Imaging of Abdominal Trauma
Stuart E. Mirvis, MD, and K. Shanmuganathan, MD

Book Reviews

164 Cardiac and Pulmonary Management, by M. Gabriel Kahn
Bernard Gitler, MD

Intensive Respiratory Care, ed 2, by Luce, Pierson, and Tyler
Robert D. Brandstetter, MD

Correspondence

NO 4 JULY–AUGUST 1994

Original Research

167 Morbidity and Mortality in Adults With "Idiopathic" Thrombotic Thrombocytopenic Purpura/Hemolytic Uremic Syndrome
Lawrence Tim Goodnough, MD, David Strasburg, MD, Dorothea Verbrugge, MD, and Charles Fisher, MD

172 A Prediction Rule For Mortality in the Medical Intensive Care Unit Based on Early Acute Organ-System Failure
Victor Gordan, MD, FACP, Roger K. Pitman, MD, Thérèse A. Stukel, PhD, Daniel Teres, MD, and Edward Gillie, MD

Analytic Reviews

179 Trauma Radiology: Part II. Diagnostic Imaging of Thoracic Trauma: Review and Update
Stuart E. Mirvis, MD, and K. Shanmuganathan, MD

191 Percutaneous Abscess Drainage: Current Applications for Critically Ill Patients
Steven B. Oglevie, MD, Giovanna Casola, MD, Eric vanSonnenberg, MD, Horacio B. D'Agostino, MD, Risteárd OLaoide, MB, and Lawrence Fundell, MD

Case Report

207 Pseudoaneurysm Formation Subsequent to Pulmonary Artery Catheter–Induced Hemorrhage
Jawad U. Hasnain, MD

Book Reviews

210 Monitoring in Anesthesiology: Current Standards and Newer Techniques (International Anesthesiology Clinics, Summer Issue), David Royston and Thomas W. Feeley, eds.
Mark Abel, MD

Surgical Intensive Care, by Philip S. Barie and G. Tom Shires
David H. Levien, MD, FACS

NO 5 SEPTEMBER–OCTOBER 1994

Analytic Reviews

211 Cardiac Transplantation: A Review for Critical Care Nurses
Linda Ohler, RN, MSN, CCRN, CCTC, CNS, Kay Hoopes Morris, RN, BSN, CCRN, Mary F. McCauley, RN, MSN, CCRN, and Patricia DiSanto, RN, MSN

227 Neuroleptic Malignant Syndrome: A Review for Intensivists
Laura M. Prager, MD, Frederick H. Millham, MD, and Theodore A. Stern, MD

235 Acute Acalculous Cholecystitis
David T. Walden, MD, Fernando Urrutia, MD, and Roger D. Soloway, MD

244 Trauma Radiology: Part III. Diagnostic and Therapeutic Angiography in Trauma
Stuart E. Mirvis, MD, and S. Osher Pais, MD

Case Report

257 Hydrothorax After Inadvertent Placement of a Central Venous Catheter in the Left Pericardiophrenic Vein
Maximo H. Trujillo, MD, FCCP, and Kaduo Arai, MD

Book Review

261 Handbook of Coronary Care, ed 5, by Joseph S. Alpert and Gary S. Francis
Frank M. Tamarin, MD

Announcement

NO 6 NOVEMBER–DECEMBER 1994

Editorial

263 Renal Replacement Therapy in the Intensive Care Unit
Pang-Yen Fan, MD

Analytic Reviews

265 Continuous Renal Replacement Therapy for Critically Ill Patients: An Update
Eric F.H. van Bommel, MD, Karel M.L. Leunissen, MD, PhD, and Willem Weimar, MD, PhD

281 Pancreas-Kidney Transplantation for Intensivists: Perioperative Care and Complications
Alfredo J. Fabrega, MD, FRCSC, Pedro A. Rivas, MD, MS, and Raymond Pollak, MB, FRCS (Ed), FACS

290 Complications of Laparoscopy and Thoracoscopy
Patrick Paw, MD, and Jonathan M. Sackier, MD, FRCS

305 Trauma Radiology: Part IV. Imaging of Acute Craniocerebral Trauma
Stuart E. Mirvis, MD, and K. Shanmuganathan, MD

Book Review

316 Clinical Electrocardiography. Pretest Self-Assessment and Review, by Franklin H. Zimmerman
Peter M. Okin, MD
